

126 - State Investment Board

A001 Investment Activities

The Washington State Investment Board (WSIB) manages approximately \$57 billion in investments for retirement, industrial insurance, and permanent and other trust funds, including the defined benefit and new hybrid defined contribution retirement plans for teachers, school employees, law enforcement officers, firefighters, and public employees. The WSIB also has investment authority for the Deferred Compensation Plan, Guaranteed Education Tuition program, Emergency Reserve Fund, Developmental Disabilities Endowment Trust, Judges Supplemental Retirement Fund, and the Basic Health Fund. The goal of the board is to diversify the assets and maximize investment returns, at a prudent level of risk, for the exclusive benefit of the respective fund beneficiaries.
